Celebrate the Magic of Christmas!

Some **REAL EXCITING** things
this year!

- What are all the big **★STARS★** all about?
- For the **FIRST TIME**, we will include in our September mailing to 50,000 registered Mark Roberts consumers, all 125 starred items in that appx 80 page catalog.
- **THAT MEANS:** we will be directing **MORE CONSUMERS** into **YOUR STORE** this fall!
- Those consumers will be looking for many of these **★STARRED★** products.
- We will back that consumer catalog up with our consumer website, which will identify those retailers (hopefully you!) who have ordered these **★STARRED★** Mark Roberts products.
- Guess it's time for you to listen to what Mark just said above!

HOW TO READ SKU INFORMATION

• **36-34228-GB:** This is the item's designated SKU or code number. When ordering, this number **MUST** be included on your order. If a color code follows the code number, that too **MUST** be included on your order.

• **NATIVITY HEART ORN 4.5":** This is an abbreviated version of the item's description and size. When ordering, you **MAY** include this. It is preferred, but is not mandatory.

The entire Mark Roberts Christmas Collection is distributed only through our selected authorized retailers/dealers across the nation. All retailers/dealers must submit their valid business license & current storefront photo with their first order.
